

Attendance:

- Andrew, Josh, Kaitlyn, David, Allison, Art, John, George, Dylan

PEER Reviews

- Confluence section - do we need this?
- There's also a dropbox
- Best as a discussion point
- Don't need the section on Confluence

Problem Definition Review

- Thursday 2/11 at 2:30 pm
- End of the first phase
- We can present from Confluence if we want to or we can make a slide deck - it's up to us
- Pre-read/draft agenda
 - Pre-read is for Karen
 - Need an agenda
 - Don't need to send the powerpoint ahead of time
 - Use mouse to point on the powerpoint, whoever is sharing their screen/doing the presentation
- Questions on myCourses we should be able to answer
- Will be presenting from confluence
- Determined agenda -
<https://wiki.rit.edu/display/P21068/Problem+Definition+Review+Notes>
-

Grades

- Rubric is on myCourses
- Enthusiastic and do the work you'll be fine
- Don't try to perform, try to learn

Actions:

- Everyone to add a picture of themselves to slack
<https://wiki.rit.edu/display/P21068/Project+Overview>, see slack channel for examples
- Everyone to add their individual plans to their page and then link it at the bottom of the Problem Definition page <https://wiki.rit.edu/display/P21068/Problem+Definition>
 - Template here:
<https://docs.google.com/document/d/170UYRKRQld7JTMqkJDUI8g0LWql-Q8o1/edit>
- Add some bullets under the team plan section
