Subject: [Student's Full Name], your performance is improving in [Course Name]

When you send a kudos to a student, the system will generate a standardized email directly to the student from your email address.

You Received a Kudos!

Dear [Student's First Name],

Your name (as it appears in SIS), the student's name, and the name of the course are auto-populated in the email.

Your instructor, [Instructor First and Last Name], has sent this kudos to note that your performance is improving in [Course Name]. Keep up your efforts and hard work!

Instructor comments:

Your personalized comments to the student(s) will be shown in the 'Instructor comments' section of the email. You can add comments in a report or when using the 'Raise Flag' function.

Hi {Student Name}.

I can tell you have been working hard to improve. Your effort is making a difference, as your last test was 83%. Great job! I am here to support your success so don't forget about visiting during office hours.

The academic alert system is made available to students, advisors and instructors through the division of Academic Affairs. It is designed to help you succeed at RIT by connecting you with support and resources. If you have questions about the Starfish system, please contact us at starfish@rit.edu
