

Printer Setup

Setting up a computer for CIS printers

Please follow these links or the links in your left sidebar to find Printer Setup documentation for the type of computer you are using.

- [Windows 7 Printer Setup](#)
- [Windows 10 Printer Setup](#)
- [Mac Printer Setup](#)
- [Linux Printer Setup](#)

All CIS printers are setup with LPD printing to the print server ([printer.cis.rit.edu](#)).

Printer List

Name	Model	Location	Purpose	Driver
guppy	Xerox Workcenter 5825	Mailroom (2nd floor, building 76)	High volume print/copier	Click Here
