

# System Requirements

## System Requirements

- I. Check Adobe's Browser and Hardware Minimum Requirements: <http://www.adobe.com/products/adobeconnect/tech-specs.html>
- II. Ensure all meeting participants are using a wired DSL/Cable Internet connection. Wireless and modem connections will diminish the session quality and are strongly discouraged.
- III. Verify minimum requirements by completing of the Adobe Connection Test at: [https://connect.rit.edu/common/help/en/support/meeting\\_test.htm](https://connect.rit.edu/common/help/en/support/meeting_test.htm)

### **Plugins Required**

Users may be prompted to download Adobe Flash Player and (if screen sharing) the Adobe Connect Meeting Add-In.
