JNH's Proposed Quiz Questions

Answer the following question according to the information/statistics presented within the Mitchell & Karchmer reading:

**Multiple Choice**

Question: “Currently, less than __________ of deaf and hard-of-hearing students are white.” (Mitchell & Karchmer, p. 99, 2006)

Answer:

- 15%
- 40%
- 60% (Mitchell & Karchmer, p. 99)
- 85%

**Short Answer**

Question: Based upon reports to the Annual Survey, what are two noteworthy demographic changes/trends in the deaf and the hard-of-hearing student population?

Answer:

1. There is an increased proportion of students that have secondary or co-occurring conditions in addition to deafness.
2. “At the same time, it is now becoming much more common for young students to receive cochlear implants” (Mitchell & Karchmer, p. 100, 2006)
