

# Known Issues

A summary of all items in the *myCourses Help and Resources* that have the label of "*KnownIssue*."

To review Known Issues for a specific tool, visit that tool in the Documentation category to the left.

Items which have been resolved will be moved to the [Archived Known Issues](#) page for reference where they will be stored for six months before being deleted.

## Known Issues

- Discussion assessments are not compatible with group discussions
- Students in a merged course cannot see the entire classlist
