4. Enter a name for your playlist (leave all other fields blank or unchecked)
5. Click Save

Video Tutorial (Does not contain audio)

Add a Video to a Playlist

1. Log into video.rit.edu
2. Search for the video you want to add to a playlist, then click the "Publish" icon that appears on the right-side below the video
3. Check the box labeled "Default Category" below your playlist name.
5. Click the green publish button at the bottom right corner

Removing a Video from a Playlist

1. Log-into: video.rit.edu
2. Search for the video title among your video library
3. Click the "Publish" icon (looks like a globe) that corresponds with the video you desire to remove.
4. Uncheck the box that corresponds with your video playlist
5. Click the green Publish button at the bottom right of the page.
6. The video should now be removed from your video playlist that is embedded in myCourses.

Embedding a Playlist in myCourses
