

Can I get a receipt of my payment?

Can I get a receipt of my payment for the verified certificate?

When you pay for the verified upgrade, you will receive an email which acts as a receipt.

You can also access payment confirmations in your Order History. To access this:

1. Click the arrow next to your username in the upper right of edx.org.
2. Select **Account**.
3. In the middle of the Account Settings page click **Order History**.
4. Click the **Order Details** button next to an order to view the confirmation page.

If you need more information than what is on the receipt, please email info@edx.org with your email address and the name of the course for which you purchased the verified upgrade. The edX support team can then supply additional proof of purchase.
