Can you provide me with documentation for my enrollment and/or topics covered in a course?

There are many ways you can obtain documentation of your enrollment and/or learning in the course:

- Enroll in the verified track. Use your emailed payment confirmation for proof of enrollment and payment near the beginning of the course. Use the certificate you receive at the end of the course for proof of completion.
- Print your Progress page. This will show course completion so far (grade and percentage completed).
- Print the course outline for a record of topics covered.
- Access payment confirmations in your [edX Order History](#) for proof of enrollment and payment.
- Use your [edX dashboard](#) to view the courses you are enrolled in (also shows the start or end date and if you are on the verified track).
